# South West Glaucoma Group

*Friday 7th July*

Marriott Cardiff City Centre *next to train station*

---

Our annual full day event includes a Trabeculectomy dry lab, to enable trainee attendees to have the opportunity to practice and learn about the surgical procedure, and a round table discussion to provide an opportunity for consultants to engage in a productive discussion about the procedure.

## Itinerary

*Trabeculectomy dry lab*

*Trabeculectomy technique variations*

*When Trabeculectomy goes wrong*

*Regenerative Medicine in Glaucoma*

*Glaucoma Cases I will take to my grave*
